See the FM Approval Guide
This product has been approved by FM Approvals, a business unit of FM Global providing worldwide industrial and commercial product certification and testing services. To obtain access to the Approval Guide, Follow the instructions below:

Click this link to go to the FM Approval Guide − Link to Approval Guide.

- Enter your account information (If you do not have an account, create one by entering an e-mail address and a password of your choice.)

- Enter a keyword and choose an appropriate search type (using the product CTN and the Text search type is a good way to see every approval that includes that product).

- Click Search to display the research results.

- Click on the items shown in the results to open the approval information sheet. From the sheet you can click on the Print PDF button to open a PDF file that you can print or save.
